## Christmas Program at Baxter Sunday

Owing to the fact that Baxter had an epidemic of smallpox and so many people were afraid to come to any public gathering the Christmas program has been postponed until Sunday evening, December 28. Great interest has been shown in it and the children have been good in coming to the practice. A treat has not been given to the children for about three years but since this has been a prosperous year they will try to give one. A treat will be given only to the classes up to the Bible class. The following program will be rendered:

Selections by orchestra; prayer by pastor; America, sung by all; welcome, Earl Smith; Joy to the World, by school; story, Catherine Voss; Christmas Bells, Clyde Michael; selection, male quartet; solo, Little Town of Bethlehem, Ruth Potter; A B C dialogue, Doris Matheny, Evelyn Sloane, Jeannette Lafferty; What I Should Be, Minnie Voss; recitation, Dorothy Wade; A Letter from Santa, Corinne Clayton; solo, Holy Night, Grace Potter; Kriss Kringle, Genevieve Berge; What the Shepherds Saw, Edgar Voss, Marshall Clayton, Eddie Morris, Glenn Lafferty; violin duet, Max Wilson and D. From nominations by people in the audience a fair price committee was appointed by Mayor Baker, with suggestions to investigate and compare prices of merchants, inquire how much profit is made and by every fair means secure all information necessary for the solution of this most vexed question.

By a rising vote the audience pledged themselves to assist individually and furnish all information possible to the committee.

Women and men are about evenly represented on the committee. Following are the names: Mesdames John Gregory, Pearl McDonald, M. Talbot, Francis Esketh, E. E. Snyder, P. D. Burton, Charles Leiving, Mary A. Riggins, Walter Gaskin, Charles F. Baker, Kate Swanson.

Fairmont region on Friday totaled 1,65 cars—1162 cars of coal and 493 cars of coke.

Mines along the Monongah division of the Baltimore & Ohio railroad on Friday produced 986 cars of coal and coke—983 cars of coal and 3 cars of coke.

Operations along the Monongahela railway on Friday produced 179 cars of coal.

Off the B. & O. railroad on Friday there were 783 cars of coal loaded east and 290 cars loaded west. There were 3 cars of coke loaded on the division—two cars west and one car east. Two cars of coal were loaded by wagon mines and one car from a storage pile.

Friday's production was much heavier than was anticipated for the percentage of men reported to be at work. The loading yesterday consisted of a lot of stock coal, which had been left standing in the mine cars from the previous day.

These consignments were made off the Monongah division of the Baltimore & Ohio railroad on Friday: Michigan points, 58 cars; Ohio points, 82 cars; miscellaneous points, 60 cars.

**Railroad Fuel.**  
Railroad fuel loaded on the Baltimore & Ohio railroad on Friday was 265 loads. The largest consignments were made by the Baltimore & Ohio Central of New Jersey, and Philadelphia & Reading railroads.

**United Mine Workers.**  
H. E. Peters, president of sub district, 4, United Mine Workers, will return from Charleston either Sunday night or Monday.

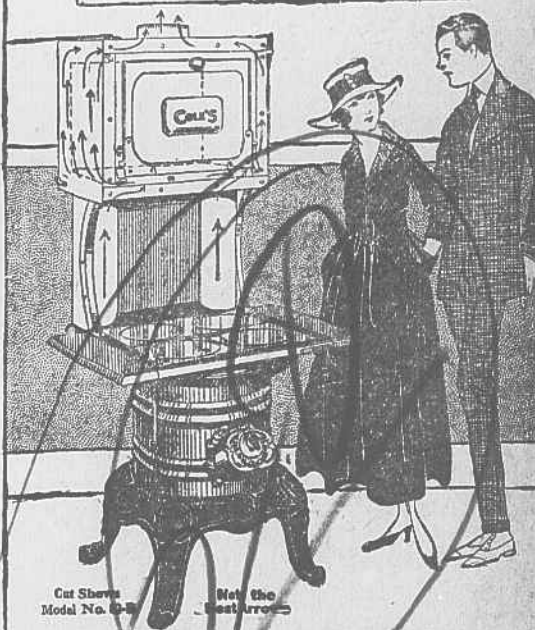

Sanford Snyder, international organizer, is expected to return from Detroit, Michigan, during the early part of next week.

**To Get Their Claims.**  
Creditors of the J. V. Thompson located in West Virginia under an agreement, if approved by the court, will get the full amount of their claims and the interest at 4 1/2 per cent. The creditors have agreed to withdraw their exceptions to the re-

port of the referee in bankruptcy, made to Judge Thompson, of the federal court in Pittsburgh incident to the confirmation of the sale of the Thompson properties to the Piedmont Coal Company for \$5,500,000. Under the report the West Virginia creditors were to have received only \$1,000,000 in payment of claims aggregating \$1,500,000.

**Bake With Heat Now Lost Up the Chimney**

This remarkable range takes advantage of Nature's law for heat to rise and thus the High Oven saves and bakes with the "waste or chimney heat" of the common type range. Note that the two oven flues start at the place where the smoke flue is connected to the chimney on other ranges. Why let half your fuel money fly up the chimney? You can easily save 1-3 to 1-2 in fuel bills and do away with one of your heating stoves with the efficient
